A guide on how to get a car loan and what to look out for when financing a car. With a credit crunch squeezing everyone from General Motors down to individual car buyers, now may not seem like the best time to buy a new car

Auto Loan

Unless you and your spouse have enough cash lying around to pay for a car in full, you will likely use an auto loan to finance the purchase. A lender, such as an auto dealer or bank, provides money for you to buy an auto. You make monthly payments to repay the loan over time.

Who We Are

Well, an auto loan is basically a loan that you take out in order to purchase a vehicle. With an auto loan, you are not paying on the depreciation of the vehicle like you do with a lease. You are paying on the vehicle purchase price plus interest.
